

WILD GARDEN KRÄUTER LIKÖR

Elephant Wild Garden Kräuterlikör is a handcrafted herbal liqueur made from a carefully selected blend of herbs, roots, and botanicals. Inspired by European herbal liqueur traditions, it offers an elegant balance of earthy and spiced notes with a touch of sweetness, creating a rich and complex taste experience. Its smooth texture and long, aromatic finish make it a refined indulgence.

Elephant Gin is known for its sustainable approach and dedication to nature. With 15% of its profits donated to elephant conservation in Africa, the brand focuses on high-quality, natural ingredients and traditional production methods to ensure authenticity and excellence in every bottle.

Elephant Wild Garden Kräuterlikör presents a warm amber colour and an inviting aroma of earthy roots, fresh herbs, and subtle spice. The palate is complex yet balanced, where deep herbal notes are met with gentle sweetness, finishing with a soft bitterness and a lingering spiced warmth.

FOOD AND WINE PAIRING

Digestif, cheese platters and dried fruits
