

WELTENBURGER SPEZIAL FESTBIER

Weltenburger Brewery, founded in 1050 in Bavaria, Germany, is the world's oldest monastery brewery. The brewery is known for combining centuries-old tradition with high quality in its beers. Their product, Spezial Festbier, is a seasonal lager with a golden color that offers a rich flavor with balanced malt sweetness and light bitterness. This beer is especially popular during holidays and festivals and is an excellent representative of classic Bavarian brewing craftsmanship.
